Masters Ambassador Gwangju 2019

Re: Appreciation letter from the 18th FINA World Masters Championships Gwangju 2019

Dear Mr. Tony Goodwin,

On behalf of the Gwangju 2019 Organizing Committee, I would like to extend my sincere gratitude for your enthusiasm and commitment to promote the 18th FINA World Masters Championships, scheduled to be held in Gwangju, Republic of Korea from August 5th to 18th this year.

Your dedication has already attracted more than 1,200 registrations on FINA GMS from the world masters aquatics community, since its launch in January 23rd.

I acknowledge that you, as *Gwangju 2019 Masters Ambassador*, have been personally reaching out to your local clubs on and off lines in order to promote the Gwangju Masters 2019. You have promoted the Masters Championships during the various continental masters championships and to national masters swimming federations through your personal outreach efforts.

Meanwhile we have emailed out monthly newsletters that feature accommodation, transportation, the venues, the competition programme, local destinations, and more. You have also involved in redistributing these newsletters and any other messages from Gwangju into your local clubs, thereby provided us feedback from your community.

Thanks to your continuous hard work and support, I believe that we could define the Gwangju Masters 2019 as one of the must-attend events.

With your full support, we are orchestrating the success in the Masters Championships. I would like to ask you to bring your friends and family over to Gwangju where you can enjoy distinct Korean culture and ecotourism.

I look forward to seeing you in Gwangju this summer.

Thank you
Sincerely yours,

CHO Young-teck

Secretary General & Vice President
