

- **Video guide about transportation**

To help you prepare your travel to Gwangju, we have prepared a series of video guides in which you will find all the practical information you will need once you arrive to Korea. You can download them [here](#) – please feel free to share them with all masters participants!

- **An immersion into Korean culture**

The government of the city of Gwangju, in coordination with the Gwangju International Center, is running the Home Visit Program, in which visitors will get the chance visit Korean families' homes and experience Korean culture first-hand. This program has been in operation since 2009, and the host families have attended various culture understanding programs to make this experience a true moment of sharing. And the good news is that all participants to the Championships can join – so don't hesitate to sign up, drop an email to Lim Eun-jung (contact below)!
