

# 2nd National Swim Meet

The National Swim Meet was again directed by Bill Lough. Better organised this time, due to the adoption of phoned in entries, and with a few more helpers, namely assistant David Mortimer and carnival referee Alf Sparkes, Bill was able to get the heats moving smoothly.

This year there were 70 men and 25 women swimming and, as well as the locals, there were swimmers from Darwin, Adelaide, Melbourne, Wollongong, Newcastle, Tamworth and Southport, Qld. 35 of the swims would have been amongst the U.S. Top 10's in 1975 and five were faster than any recorded there, namely Eve Whillier (55-59)50 F/S, Bess Barrie (60-64)100 Breast and 50 Butterfly, Geoff Ryan (70-74)50 F/S and Owen Griffiths (70-74)400 F/S.

The venue, Harbord Diggers Club Pool, was ideal and the supper afterwards, which was prepared by the Diggers Swim Club was the perfect finish to a perfect day. Two points need correcting for the next meet, namely, we must form our own social committee and, to avoid financial loss, suppers must be paid for before the day of the meet. Unfortunately some who had ordered supper were unable to attend on the day and this bit into our reserve funds.
