   Ralph Fletcher-78(11)
   Wallace Laury-76(12)- 24 Points

* According to Long Distance Swimming Rules, Article X, Paragraph E.1 on page 70, in case of a tie on points the team whose individual member finished nearest to first place shall be declared the place winner.

Thank you for your support and participation. Last year we had 174 individual and 27 team entries. This year we reacned 382 individuals and 63 team entries. Hopefully, next year we will have even more.

Special welcome to our swimmers from Australia, Canada, and England!

I personally regret the delay compiling and sending the results, as I was out of town on a Disaster Assignment. Thank you for patience in this regard.
