Individual Results

Individual results follow showing the times every competitor recorded. Carnival results were prepared by computer (and manually when it failed) listing the swimmers in every age group in every event in order of time. To save considerable space in "A.A.S." these figures had to be transposed to the format printed here. This was a very time consuming task and I am endebted to Dianne O'Hagan and Terri Smith (St George Club) who did this whilst I was relaxing in the rain at.Lindeman Island.

Note medal winners are shown by letter next to their name: G — gold; S — silver; B — bronze; and records are shown by * next to the time.
