WELCOME TO CANBERRA - THE NATION'S CAPITAL

1985 AUSSI Masters Swimming Championships
in the 10th year of AUSSI Masters

As Meet Director for this year's Nationals I am very pleased to welcome all our AUSSI Masters and overseas swimmers to the Swim Hall, National Sports Centre, Canberra.

I hope your stay in Canberra is one of enjoyment and that you meet old acquaintances and also make new friends.

My thanks must go to the Organising Committee consisting of Meet Secretary, Entries e.t.c. Judy Ford; Social Organiser, Les Worthington; Treasurer, John Erpic; Publicity Officer, Mike Pratt; and the able assistance of Elinor Mackenzie, Helen Mackerras, Angelika Erpic, Alan Wright, Gaynor Corlis, Peg Townley, Jane Sutton, Bill Parker and Brian Hird, who have all helped towards making this a successful and friendly swim meet.

I would like to extend a special thanks to the following sponsors for making this swim meet possible:- City Mutual, Speedo, Department of Territories and Local Government, Toshiba, Digital Equipment (Aust) P/L, ACT Tourist Bureau, Bonds, SAAB, and the National Heart Foundation.

To all the competitors, friends and guests, I hope that you achieve your goals in swimming and that you leave Canberra satisfied with your performance, and take with you very fond memories of your stay.

ENTRY CARD PROCEDURE

1. Obtain a programme and check your name against entered event(s).

2. Withdrawls/Scratchings

A representative from each club is requested to notify the official at the withdrawls table at the scoreboard end of the pool before the commencement of swimming for the day. If possible notify scratchings for all four days on the first day of the carnival.

3. Claim of Entry Cards

3.1 Listen to the announcement and watch "EVENT CLAIMS BOARD" (at the street end of the pool) for the collection of your entry cards from the "CLAIMS TABLE".

3.2 Entry cards will be available at the "CLAIMS TABLE" at least one event ahead.

3.3 The event being currently contested will be shown on the "EVENTS BOARD".

3.4 You must report and claim your entry card for each event when announced and displayed, after which you may proceed to the starting area or return to the stands until your event is about to be swum.

4. Starting in the Event

4.1 As the starter will only announce the event, distance and style, it is important for you to carefully read the starting procedures.

4.2 Any swimmer who is not behind the starting block as the referee's whistle blows for the start will be deemed to have withdrawn from the event.

digital

STARTING PROCEDURES

1. Move to a position behind the timekeepers on your nominated lane when the announcer calls your event which will also be displayed on the "EVENT BOARD" (In long events, arrive 2 heats before; short events 4 or 5 heats before).
2. After the preceding heat begins to swim, you must step foward and present your entry card to the Chief Lane Timekeeper on your lane and stand behind their chairs.
3. Whilst the swimmers from the previous heat are clearing the water (or if they are waiting in the water - when the last swimmer touches), step foward to behind your lane and await the referee's signal.
4. When competitors have placed themselves behind their blocks, the starter will announce the event -" EG. Event 17- 200m Butterfly- heat 3".
5. The referee will give a long, drawn out blast on the whistle to signal competitors to take up a position on the back of their blocks or in the water.
6. The starter will give the precautionary command " Take your marks" and competitors will immediately take up their starting positions and remain STATIONARY.
7. When all competitors are stationary the starter will give the starting signal by pistol shot, hooter, whistle or command.
8. Should a first or second false start occur, the starter shall give a second signal by pistol shot, or whistle blast and the false start rope will be dropped to recall competitors to their starting positions. After the second false start any swimmer starting before the starting signal has been given shall be disqualified.
9. If the starting signal sounds before the disqualification is declared, the race shall continue and the swimmer(s) shall be disqualified upon the completion of the race.
10. If the disqualification is declared before the starting signal, the gun shall not be fired and the remaining competitors shall be called back and shall start again.

digital

11. Competitors must finish in the lane in which they started and must be sure to hit the electronic pad firmly. Then move back a metre or two from the end and hold on to the lane rope, BUT REMAIN IN YOUR LANE. On the signal from the referee (or after the next heat has started) competitors are to leave the water by the SIDE OF THE POOL ONLY. Take care leaving the pool, especially in relay events, and under no circumstances touch an electronic touch pad.
12. In an Individual Medley event the sequence of strokes is Butterfly, Backstroke, Breaststroke, Freestyle. In a teams medley event the sequence of strokes is Backstroke, Breaststroke, Butterfly, Freestyle.

TO ALL SWIMMERS, TEAM MANAGERS AND COACHES: Please ensure that all the competitors are acquainted with these procedures and rules and ensure that competitors are behind their respective starting blocks for the start of their race.

RULES FOR SWIMMERS

BREASTSTROKE

1. The body shall be kept perfectly on the breast and both shoulders shall be in line with the water surface from the beginning of the first arm stroke after the start and on the turn.
2. All movements of the arms shall be simultaneous and without alternating movement. The limbs will work on the same horizontal plane.
3. Hands shall be pushed foward together from the breast, and shall be brought back on or under the surface.
4. At the finish of the event, the touch shall be made with both hands simultaneously at the same level, either at, above or below the water level. The shoulders shall be in a horizontal position.
5. At the turn your hands need not be level but you must touch with both hands simultaneously.
6. A part of the head shall always be above the general water level, except that at the start and at each turn, the swimmer may take one arm stroke and one leg kick while wholly submerged before returning to the surface.

BUTTERFLY

1. Both arms must be brought foward together over the water and brought backward simultaneously. 'Over the water' is defined as 'that at some stage of the recovery i.e. the foward motion of the arms, the whole of the arms must clear the normal surface of the water'. This is the minimum requirement.
2. All movements of the feet must be executed in a simultaneous manner. The legs or feet need not be on the same level.
3. When touching at the turn or on finishing an event the touch shall be made with both hands simultaneously on the same level and with the shoulders in the horizontal position. The touch may be made at, above or below the water level.
4. After the start and turns a swimmer is permitted one or more leg kicks and one arm pull under the water, which must bring him to the surface.

digital

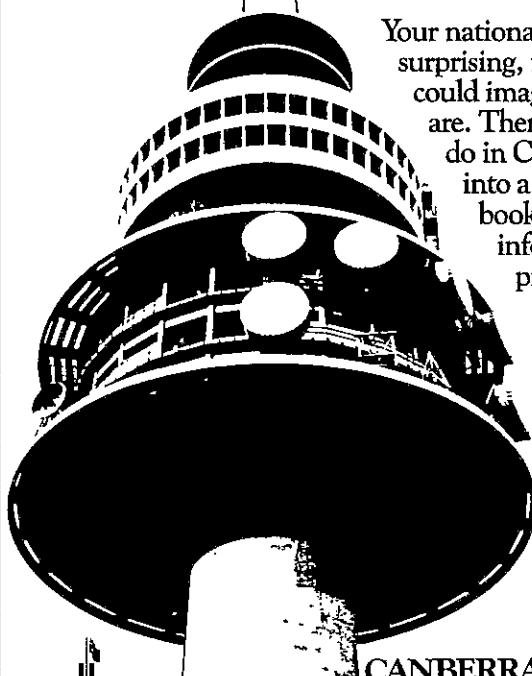

BACKSTROKE

1. Any competitor leaving his normal position on the back before his head, foremost hand or arm has touched the end of the course for the purpose of turning or finishing shall be disqualified. Provided that a swimmer does not turn his body more than an angle of 90 degrees with the surface of the water he will be considered to be swimming on the back.

These rules of swimming only deal with AUSSI Nationals, State and Inter club meets. They are worded in such a manner so that the physically handicapped swimmer may still compete and not be considered to have been disqualified. It must be pointed out that these rules do not cover World Championships.

Rules are formulated to assist all swimmers. They should not be used as a means of taking unfair advantage of others.

The St. John Ambulance Brigade is a voluntary organisation which renders voluntary first aid assistance to members of the public. Members are on duty at this Swim Meet.

The Order of St. John developed from a pilgrims' hospice established in Jerusalem in the year AD6000 by Abbot Probus. The St. John Ambulance is one of the two Foundations of the Order of St. John, the other being the large modern Ophthalmic Hospital in Jerusalem. Membership of the Brigade consists of cadets, from 8 years of age, and adults. St. John is in need of new members to assist with the increasing requests for first aid assistance.

Anyone interested in becoming a member of the St. John Ambulance Brigades should contact Brigade Headquarters in their respective state capital city.
