## ENTRIES

**CLOSING DATE, 1st MARCH, 1986.**

In the Festival State, 1986 will not be just another year. Throughout 1986 South Australians will celebrate the 150th anniversary of the proclamation of the State.

Jubilee 150 will have something for everyone. Just a few of the highlights in a year-long celebration are:  
A year of motor sport will be climaxed by the Australian Formula One Grand Prix.

International and national sporting events.  
The prestigious World 3-Day Equestrian Championship and World Moth Yachting Titles.

The gruelling six-day Ultra Triathlon, the Festival City Marathon and numerous National Titles.

Festivals abound — from the internationally acclaimed Adelaide Festival of Arts to numerous ethnic and regional festivals.

Historical re-enactments will re-create the South Australia of early colonial years. The gold escort to South Australia. The coastal grain trade with the restored ketch 'Falie' visiting 35 ports. Spectacular opening and closing ceremonies. The Jubilee and international Police Tattoos.

Throughout South Australia the past will be brought back to life. A major maritime museum at Port Adelaide Restoration of historic Fort Glanville and the colonial copper mining towns of Burra and Moonta. And in 1986 the Festival State will be the Conference State. Numerous major international conferences will supplement an impressive list of national conventions. South Australia is a must in 1986. For business, or pleasure, Jubilee 150 will be a year to remember.
