MESSAGE OF WELCOME FROM THE NATIONAL PRESIDENT

On behalf of AUSSI, the organisation, I bid you welcome to this, the 14th National Swim.

I often compare attending the 'Nationals' with the annual Islamic pilgrimage to Mecca.

For many of us, there is that compulsive urge to travel the continent each year to make new friends and renew old acquaintances. Sadly this time, some of our very dear friends are not here in person.

I have now completed the last of my four years as your President. I thank you all for your support in that time. The experience has been most enjoyable and rewarding for me in my personal growth and I trust that I have given something of myself in return. I have worked with a great bunch of people and I particularly want to thank Glenys McDonald on behalf of all AUSSI's for the way in which she has managed your organisation in the past four years as National Secretary.

The N.S.W. Branch Organising Committee have prepared an action packed four days for you to enjoy now and remember forever. Some will return home with Gold, many others will record P.B.'s but the real heroes will be those who reach their own level of excellence.

LET US ALL BE WINNERS AND ENJOY OURSELVES.

Ivan Wingate
National President

RULES FOR SWIMMERS

1. Medical Disability (AUSSI Rule 14.1b)

i) The Referee, at his discretion, may take medical disabilities into account.

ii) The entry cards of competitors who require medical disabilities to be taken into account by the Referee must be prominently marked with the initials "MD".

iii) Swimmers with non-manifest disabilities shall provide a medical certificate stating the medical disability, the range of motion/activity that is impaired and the swimming stroke(s) that may/will be affected.

2. Breaststroke Swimming (AUSSI Rule 14.2a) to g)

a) From the beginning of the first arm stroke after the start and after each turn the body shall be kept on the breast and both shoulders shall be in line with the surface of the water.

b) All movements of the arms shall be simultaneous and in the same horizontal plane without alternating movement.

c) Up and/or down movements of the legs or feet are not permitted throughout the swimming of the event including the start and the turn.

d) The feet should be turned outwards in the backward movement. A flutter kick or dolphin kick is not permitted. Breaking the surface of the water with the feet shall not merit a disqualification unless followed by a dolphin kick.

e) Hands shall be pushed forward together from the breast and shall be brought back on or under the surface of the water except at the start and at the turns the hands shall not be brought back beyond the hip line.

f) At each turn and upon the finish of the race, the touch shall be made with both hands simultaneously either at, above or below the water level. The shoulders shall remain in the horizontal plane.

g) During each complete cycle of one arm stroke and one leg kick some part of the head of the swimmer shall break the surface of the water except that after the start and after each turn the swimmer may take one arm stroke completely back to the legs and one leg kick wholly submerged before returning to the surface.

3. Backstroke Swimming (AUSSI Rule 14.3a) to e)

a) Competitors shall line up in the water facing the starting end with hands resting on the end or rail of the pool or starting grips. The feet including the toes shall be under the surface of the water. Standing in or on the gutter or bending the toes over the lip of the gutter is prohibited. The swimmer is not allowed to make any movement with any part of his body before the starting signal has been given.

3. Backstroke Swimming (cont'd.)

b) At the signal for starting and when turning they shall push off and swim on their backs throughout the event. The hands resting on the end or rail of the pool shall not be lifted before the starting signal.

c) Any competitor leaving his normal position on the back before his head, foremost hand or arm has touched the end of the course for the purpose of turning or finishing, shall be disqualified.

d) Provided that a swimmer does not turn his body more than an angle of 90 degrees with the surface of the water he will be considered to be swimming on the back.

e) It is permissible to turn over beyond the vertical after the foremost part of the body has touched for the purpose of executing the turn but the swimmer must have returned past the vertical to a position on his back before the feet have left the wall.

4. Freestyle Swimming (AUSSI Rule 14.4a) to d)

a) In an event, so designated, the competitor may swim any style - Backstroke, Breaststroke, Butterflystroke, Overarm Crawl, or any combination.

b) In an Individual Medley event or a Medley Relay event, Freestyle means any style other than Backstroke, Breaststroke or Butterflystroke.

c) In all freestyle events, if a competitor nominates a formstroke or medley, for sealed handicap, Top Ten and Award Swims or record attempt purposes, he shall comply with all the rules relating to such stroke or strokes.

d) In turning, the competitor can touch the wall with any part of his body except as described in Clause 14.4c).

5. Medley Swimming (AUSSI Rule 14.5a) to c)

a) In an Individual Medley event, a competitor shall swim Butterflystroke, Backstroke, Breaststroke and Freestyle in that order.

b) In a Medley teams event, each team shall consist of four (4) members who shall swim respectively Backstroke, Breaststroke, Butterflystroke and Freestyle in that order.

c) During all types of Medley swimming, all of the strokes must be swum according to the rules of that particular stroke.

5. Butterflystroke Swimming (AUSSI Rules 14.6a) to d) and Clarifications a) to c)

a) Both arms must be brought forward together over the water and brought back simultaneously. The body must be kept on the breast and both shoulders in line with the surface of the water from the beginning of the first arm stroke after the start and on the turn.

5. Butterflystroke Swimming (cont'd.)

b) All movements of the feet must be executed in a simultaneous manner. Simultaneous up and down movements of the legs and feet in the vertical plane are permitted. The legs or feet need not be at the same level but no alternating movement is permitted.

c) At each turn and upon the finish of the race, the touch shall be made with both hands simultaneously either at, above or below the water level. The shoulders shall remain in the horizontal position.

d) At the start and at the turns, a swimmer is permitted one or more leg kicks and one arm pull under the water which must bring him to the surface.

Clarification

a) Both arms must be brought forward together over the general surface of the water with the elbows being visible on the top of the water and the arms being brought back simultaneously. This is the minimum requirement in accordance with this Rule.

b) Either a dolphin or a Breaststroke leg action may be used with the Butterfly arm action.

c) A mixture of these types of leg action may be used during the performance of the Butterflystroke.

6. Starting Procedures

Excepting backstroke events, swimmers may start from the starting blocks, the pool end adjacent to the blocks or push off from the pool end wall whilst in the water provided that one hand is on the pool end wall.

Backstroke swimmers must start in the water and push off backwards from the pool end wall.

On the preparatory whistle from the starter, the competitor will stand on to the surface and front of the starting block or pool edge or in the water and remain there.

On the preparatory command from the starter "take your marks", the competitor shall immediately take up a starting position. When all competitors are stationary the starter shall give the starting signal.

In backstroke events the whistle blast shall indicate all swimmers are to enter the water and promptly take up their starting positions.

7. Electronic Timing

Please ensure that you strike the pads firmly on completion of your swim. Once you have touched the timing pad to finish your swim please do not touch the pad again.

8. Results

Results will be posted as soon as possible after completion of each event. Please do not go to the recording room for any results.

WHO GIVES YOU THE PERFECT PAIR FOR PROFESSIONAL IN-HOUSE PUBLISHING?

(After all, when it comes to words, looks are everything!)

What a combination! A lettering machine and binding system that leave the competitors lost for words!

Take Gestetner Merlin Professional: electronic lettering with sharp print quality type every time...and as easy to use as a typewriter!

Merlin is high quality type on adhesive-backed tape (with special tapes for magnetic display and projectable tape!) You can edit copy before the lettering is printed, print multiple copies, change type styles, sizes and ribbon colours in the middle of a job, store 7679 characters...and interface with computers!

As for Velo-Bind: it's stronger, neater and more secure than spiral binding...and you can bind proposals, reports, documents, books etc in no time...30 secs for a soft cover book, only 90 secs for a hard cover! All on a machine less than the size of a typewriter, on a table top!

In-house publishing? Phone, write or fax for more details. Quick!

Yes, you guessed!

Gestetner

gives you the best!
