MASTERS SWIMMING IN AUSTRALIA (INC.)

NATIONAL PRESIDENTS MESSAGE

To all AUSSI members competing in these Melbourne National Championships, I would like to say welcome and "Good Swimming'

It is great to be back in Melbourne after 8 years since our Nationals were held here. In those passing 8 years AUSSI has grown dramatically and should pass the 7000 membership level in 1991.

The level of competition has developed dramatically in that time at all age groups. We have seen records tumble and will again during these championships.

It is pleasing to see the number of entries received considering our tough economic times. It is also pleasing to see your commitment to our National Championships as pressures of many other events continue to appear before us.

I which you all success in the goals you have set and trust you enjoy the **friendship and fun** that the Organising Committee have planned for you.

I would like to finally thank the sponsors who in difficult time have supported our championships and I trust they will be supported by all.

GRAEME MCDOUGALL
NATIONAL PRESIDENT

AUSSI

MASTERS SWIMMING VICTORIAN BRANCH INCORPORATED

STATE PRESIDENTS MESSAGE

AUSSI Masters Swimming Victorian Branch extend to all of its AUSSI companions a hearty welcome and may the 1992 National Championships be the continuance of a great year in AUSSI swimming.

A special thank you is appropriate to our sponsors - who in the "Doom and Gloom" of the nineties have extended themselves to make the 1992 Nationals an event to remember.

We in Victoria are pleased and proud to announce that the Nationals is the largest Masters Swim Event this state has hosted and one of the largest through out Australia.

The Nationals Planning Committee have attempted to ensure that your program of events and Social Activities project the AUSSI ideology of "**Fitness and Fun**". Every compliment to them for a great effort.

Yours in Swimming
IAN DEAR
STATE PRESIDENT
