MASTERS SWIMMING IN AUSTRALIA

FEMALE TOP TEN

1995

1995 NATIONAL TOP TEN

OCTOBER 1, 1994 TO DECEMBER 31, 1995

FORWARD

The top ten spans a fifteen month period to allow future top tens to be aligned with the FINA competition period. This has resulted in complications for those preparing branch submissions as well as increasing their work load.

Individuals names, birth dates and clubs have been automatically obtained from the national registration database by using the swimmer's registration number. Best ever top times have been shown irrespective of whether there was a time or distance submitted for this period.
