

**21st National Swim
and Club Championships**

EASTER

5 — 9th April 1996

The 1996 National Swim and Club Championships were held in Canberra at Easter 1996 at the Australian Institute of Sport Pool. The Championships were run by a very small organising Committee convened by the ACT Branch President - Jean Heath. Other members of the Committee were Tanya Colyer (Secretary), Judy Ford and Les Worthington. The Committee met several times over a period of about 18 months prior to the Carnival. As there were so few people to assist with the Swim, the Committee curtailed its activities to little more than running the meet. Because of a lack of people to work at the Carnival, the ACT Branch called on the New South Wales Branch for assistance. This was provided by Brian Hird, who was Meet Director for the Carnival. He brought with him a team of key officials to assist him. Also assisting were members of ACT Swimming Inc, who provided Referees, Stroke Judges and people to run the electronic timing. With this help we were able to run a successful Carnival.

The entry fee for the carnival was \$40 and with this and a grant from the ACT Government of \$1,500 we were able to cover all costs for the event including:

- pool entrance for competitors
- a medal for each competitor to commemorate the 21st Anniversary of AUSSI Masters National Swims
- a welcome pack for competitors
- medals, ribbons, certificates and non-perpetual trophies

No sponsorship was available from Zedar this year. We came out of the Carnival with a modest profit of \$4,637:02 which has been shared on a 50/50 basis between the ACT Branch and AUSSI Masters Swimming in Australia (Inc.)

The initial program prepared for the Carnival was for four days of swimming followed by an open water swim of 3000 metres scheduled for Tuesday 9 April in Lake Burley Griffin. Owing to demands placed on the venue for the Carnival by the Australian Institute of Sport in the run up to the Olympic Games in Atlanta, major last minute changes were made to the swimming program, requiring competitors to swim some events at night rather than during the day as was originally proposed. The open water swim was cancelled because the water temperature fell below the required level.

Considering the pressures under which we were working the Carnival was remarkably successful, though there was some concern on one day about the lack of adequate warm up facilities.

A medical practitioner was present at each session of the carnival, and first aid equipment was available, but there were few incidents where medical help was needed.

Entrants to the Carnival numbered 360 and included participants from overseas. As it had been hoped that the Carnival would attract 500 swimmers, this level of participation was somewhat disappointing, though smaller numbers meant that the meet ran smoothly.

The Carnival was opened by the Chief Minister for the ACT, Kate Carnell. Mrs Carnell was presented with a plaque to commemorate the occasion.

At the conclusion of the Carnival a presentation dinner was held at the Ainslie Football Club. The dinner was well attended and enjoyed by all. A commemorative wine glass was included in the cost of the dinner.

The Financial Statement for the 21st National Swim is attached for information as are a copy of the program, the Swim Award Certificate and a placegetters ribbon.

AUDIT REPORT TO MEMBERS

I have examined the Financial Statements for National Swim & Club Championships Easter 1996.

In my opinion the attached Financial Statement represent the accurate record of receipts and expenditures for the Club Championships as recorded in the Cash Book and Bank Statements.

A handwritten signature in cursive script, appearing to read "J.M. Erpic".
