Message from the President of Masters Swimming Australia

There is an additional excitement for me in a National Championships in Sydney.

Swimming in a pool where we saw so much exciting swimming in 2000 at the Olympics. I know its thirteen years on and a lot has changed in the world since then but it doesn't detract from the enjoyment. If for you, like me, it's your first time swimming at Sydney Olympic Park Aquatic Centre, I hope you enjoy the competition as much as I will.

The preparations for a National Championships start two years ahead of the first swimmer hitting the water. The organising committee put in countless hours organising all facets of the event. The committee that Masters Swimming New South Wales has appointed for the event have tirelessly been working to ensure that the championships are a success. On your behalf I thank them for efforts, congratulate them on their planning and preparation and wish them well in their delivery of the program over the coming days.

While you are in Sydney, I hope you take the opportunity to explore the city and enjoy the many attractions that Sydney has to offer. If you are looking for inspiration and to know more about Sydney's attractions, I'm sure the locals will be happy to point you in the right direction.

I look forward to meeting you, either around the pool during the day or just down the road at The Brewery "Happy Hour" after the day's swimming.

Welcome to the 2013 Masters Swimming Australia National Championships and I hope you have all the success you desire.

Craig Smith

Message from the President of Masters Swimming NSW

Masters Swimming NSW is honoured to have so many visitors to our wonderful state. We hope you enjoy the National Championships over the next 4 days. Our intention is for you to have a lot of fun and make new friends, with some great racing in between.

This wonderful venue was the home of the 2000 Olympic Games, seems an age ago now, but for some of us still very fresh in our minds. We are pleased to have with us some of the same volunteers from those Olympics, who went on to form a group called Volunteering NSW. They are now part of our Masters Swimming NSW culture, helping out at our state branch meets in various positions. There are around 50 people working very hard behind the scenes to make this meet a success. Thank you to every one of you.

I have worked with an amazing group of people on the 2013 Organising Committee for the past 18 months. They are named elsewhere in this program, and I thank them for their dedication and the work they have put in to making these Championships a success.

There are over 50 officials from NSW, and other states, who will be working hard on the pool deck and in the computer room over the 4 days of the meet. They too are listed elsewhere in the program and I thank them sincerely for giving up their time to make the Championships run smoothly. When you run into any of these officials (in a white shirt), please give them a smile, as without them we would not have such a wonderful organisation.

A special welcome to anyone who is competing for the first time, it is great to have your company. If at any time you are not sure what to do, or where to go, please ask any official, we are all here to help.

Please join us at the 'Happy Hours' at the Brewery (opposite the railway station) which are being hosted by three of our NSW clubs, Warringah, Merrylands and Wett Ones. There will be discounts, prizes, and heaps of friendship at these afternoons. Swap stories about your day with friends, old and new.

Lastly, best of luck to everyone in the competition, I hope you achieve your goals whatever they are. Mine is to run the most memorable National Championships which will make everyone want to continue competing and being a part of Masters Swimming in Australia.

Yours in swimming,

Jane Noake

Masters Swimming Australia
2013 National Championships

Information for Swimmers

Competition
MSA Swimming Rules and General Rules current at close of entries, 8 March 2013, will apply. These include rules for starts, finishes, stroke, swimwear, wearing of watches, etc.
A copy of the rules will be available for reference at the Information Table.
800m and 400m events will be deck seeded. All other events are heat seeded.
Please note that access to the deck of the competition pool is restricted to officials, and swimmers who are starting or completing an event. Competitor ID tags must be worn at all times.

SOPAC Car Parking & Entry
Parking for a maximum of 4 hrs in P2 is free if your parking ticket is validated at the Pool Service desk on entry. If staying for more than 4hrs, patrons can park all day in P2 or P3 parking areas for a flat fee of $10.
Access to the pool for meet patrons will be via a dedicated entry gateway for the first 3hrs of each session, and thereafter entry will be via the main entry gates next to the service desk. A pass-out will be issued at the service desk if you need to leave the venue and return.

Registration
All competitors must register before their first event.
The Registration Desk will open at 10:00am on Wednesday, and 7:00am on Thursday & Friday.

Warm-up
All warm-ups will be conducted in accordance with the MSA National Safety Policy. Please obey all signs and instructions of Supervisors. The competition pool will be available for warm-up from 11:30am-12:15pm on Wednesday and 8:00-8:45am on Thursday, Friday & Saturday. After the start of competition each day, the Utility (diving) pool will become available for warm-up and cool-down until the conclusion of events.

Relay Events
Relay entries for each event must have been received from competing clubs by the closing date for entries. If on the day of the event a nominated swimmer is unable to swim, a club may, at the discretion of the Meet Director, substitute another swimmer provided the team remains in the same age group. Any changes must be submitted to the Meet Director, on a form available from the Information Table, by 10am on Thursday for Event 4 and by 2pm on the day of the event for Events 8, 14, 15, 21 & 22.
Seeding of heats will be posted adjacent to the marshalling area.
For any club, more than one team per age group is permitted in each relay event, but only one nominated team will be eligible to score points and receive awards.
An **Inter-Branch Relay** will be held following the final event on Saturday, if time permits. The format will be 8x50m Mixed Freestyle, with equal numbers of men & women. All team members shall have competed in at least one individual event, and swimmers of the same gender must be from a different age group. Branches shall submit entry times for their teams, and the winning team shall be the one whose race time is closest to its nominated time.

Starting and Finishing
The “one start” rule will apply to all events - no false starts.
Swimmers who wish to start in the water, in other than a backstroke event, should notify the Referee prior to the start of the event.
When finishing your event, be sure to hit the electronic timing pad firmly to ensure that your time is recorded correctly. Immediately move away from the wall about a metre, and hold on to the lane rope, but stay in your lane until signalled by the Referee. Following heats may start while you are still in the water. Leave the water by the side of the pool only, keeping well clear of the electronic timing pads. Never climb out over the end of the pool.

2013 National Championships

Information for swimmers

Marshalling
Your heat and lane number for each event are listed in the programme. Listen carefully to all announcements, and take note of the marshalling claim board located on the opposite side of the pool, in front of the Recording Room. The marshalling area is located adjacent to the Utility pool, underneath the seating areas, shown on the Pool Layout Plan on the back cover of this programme.
You must report to the marshalling area promptly when notified by the announcer or the marshalling claim board, and wait to be called by the marshal. It is your responsibility to be punctual. Events will not be re-seeded to accommodate latecomers.
Check Starters will escort swimmers to the starting area.

Timekeeping
All results will be recorded by electronic timing, with backup semi-automatic timekeeping provided by volunteers, including many from Volunteering NSW.

Results
Provisional Results will be posted as soon as practicable after the conclusion of each event, an announcement will be made, and the results will be marked with the time of posting in the top right hand corner.

Results will also be available immediately at the conclusion of each event on your web-enabled laptop, smartphone or tablet by logging on to the Live Results page on the MSNSW website. If you have a QR app on your device, take a picture of the QR code to access the real time results.

Protests
Protests regarding any irregularities of the meet, or the results, must be in writing on the official Protest Form available at the Information Table. It must be lodged at the Information Table within 30 minutes of the posting of provisional results. The Protest Form will be forwarded to the Meet Director for attention by the Meet Referee or a Board of Appeal, as required.
Final Results will be posted approximately 45 minutes after posting of provisional results, subject to the resolution of any protests.

Medals
Gold, silver & bronze medals will be awarded to the first three placegetters in each age group for individual events and to each member of the first three teams for each age group in relay events.
Medals will be available for collection from the Medals Table, next to the lift at the top of the grandstand, immediately after the posting of Final Results.
An engraving service, located adjacent to the Medals Table, will be available to permanently record your achievements on your hard earned medals.

Presentation Dinner
