Results -2012

In 2012, the Vorgee Endurance Program replaced the National Aerobic Trophy Program with a modified point scoring system and the program was completely online.
There are two Vorgee Endurance 1000 awards presented annually at the MSA National Championships Presentation Dinner.

Vorgee Endurance 1000 Champion Club

Points are gained for the completion of each different event. These combine with points gained by fellow club members and contribute to a total point score for each competing club. The highest scoring club will then be declared the ***Vorgee Endurance 1000 Champion Club***.

Vorgee Endurance 1000 Award

As an extension of the program, the ***Vorgee Endurance 1000 Award*** (previously known as the Tassie Award and National Aerobic Award) goes to the club averaging the highest number of points per registered member. This is designed to encourage as many members as possible in each competing club to complete one or more events in the **Vorgee** Endurance 1000 program.

Club Award
