## **Welcome from Meet Director Doctor Peter Reaburn**

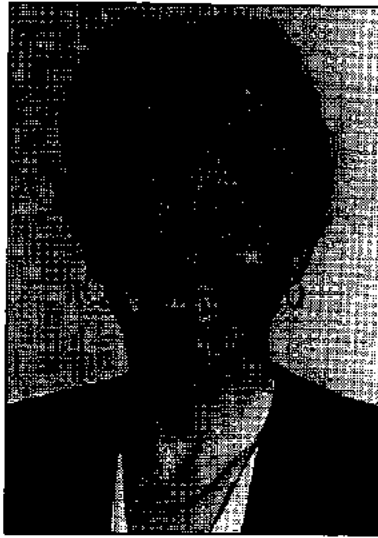

*Welcome to the World Masters Games. Over two years of planning and volunteer work has culminated in just over 1800 Australian and international swimmers coming together for five days of competition, fun and friendship.*

*Our tireless Meet Convener, Mary Sweeney, and her reliable committee have left no lane rope untightened to make this meet one to remember. Organisation will be par excellence, the socials friendly and the atmosphere relaxed.*

*If you have any problems, do not hesitate to contact any of the officials in red shirts or the information desk in the upstairs foyer. Hustle your relays together by calling on new and old friends. Enjoy our meet, enjoy our city, enjoy our country.*

*See you at the happy hours.*

## **Message from AUSSI Masters Swimming President Glenys McDonald**

*Welcome to Brisbane for this very special event.*

*All Australian Masters Swimmers join with me in offering our friendship and hospitality to all swimmers especially to those from other parts of the world and to those who are competing for the first time in a Masters event.*

*The motto of Masters Swimmers worldwide is "Friendship, Fraternity and Fun" and the organizers of the World Masters Games have been working to ensure that these ideals are an integral part of the competition in the days to follow.*

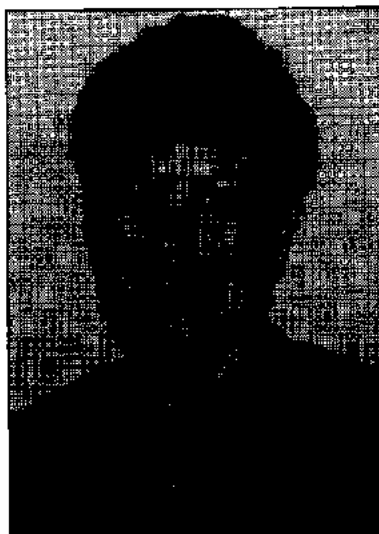

*There will be many personal goals achieved in this competition. In some cases, naturally it will be winning medals, in other cases it will be swimming a personal best time and in other cases just making it to the end of the pool in a certain stroke or distance. By just competing, we are all winners.*

*Interest and growth in Masters sport is a phenomenon of the past two decades. These World Masters Games prove that the concept of older adults continuing in sport for life, is here to stay and the world will be a better place for it.*

*The last time the World's Masters Swimmers gathered in Australia was in 1988 in this very pool for the 2nd World Masters Swimming Championships.*

*I take this opportunity to thank the Queensland Branch of AUSSI Masters Swimming in Australia for all the work they have undertaken to bring this swimming programme to you. Their reward will be to see you all having lots of fun.*

Glenys McDonald  
President – AUSSI Masters Swimming in Australia

## **Message from Queensland Masters Swimming President Mary Sweeney**

*On behalf of Queensland Masters Swimming and the PAULS TRIM Swim Committee, I welcome you to Brisbane for the 1994 World Masters Games.*

*It seems right that the swim for these World Masters Games should be held in the same pool where so many records were set in the 1982 Commonwealth Games and in Masters swimming of the 1988 2nd World Masters Swimming Championships.*

*The organization of this swim meet has been made possible by the many hours of voluntary work that has been undertaken by so many people over the past two years. I thank those Queensland Clubs that have offered their expertise so willingly in so many ways, but I must especially thank Miami Masters, Brisbane Southside Masters and Brisbane Northside Masters for their contribution and help.*

*I know how hard each member of the Swim Committee has worked and I know they are proud to be a part of this event. Your enjoyment is the reward they seek.*

*We trust you all achieve your goals in swimming and have an enjoyable time in Brisbane. Some will go home with medals but every participant in these Games is a winner and I congratulate each and every one of you for participating. The aim in organizing this swim has been to give you a strong competition as well as occasions where you can relax and renew old friendships or make new friendships.*

*Lastly I thank our sponsors, especially our naming rights sponsor PAULS TRIM, for their enthusiasm, help and belief in the future of Masters sports. The Swim Committee look forward to meeting as many of you as possible over the next few weeks.*

*Good swimming to all.*

Mary Sweeney

President – AUSSI Masters Swimming in Australia Queensland Branch

## **Message from Naming Rights Sponsor PAULS TRIM**

*PAULS TRIM, one of Queensland's best known milk brands, is proud to sponsor the swim meet of the 1994 World Masters Games.*

*As an Australian company we are very pleased to be associated with an event that not only celebrates sport and physical achievement but also fosters a friendly, age-is-no-barrier atmosphere.*

*This event has attracted sportsmen and women of the calibre of Mark Stockwell, Greg Fasala and other members of the "Mean Machine" and Tracy Wickham Ciobo. And everyone will be inspired by 101-year-old Mary Maina from the Gold Coast.*

*Queenslanders and all Australians love swimming and it is no surprise that swimming is one of the most popular competitions at the 1994 Games. The Games themselves will be the largest multi-sporting event ever staged anywhere in the world.*

*On behalf of PAULS TRIM, I wish all competitors the success they strive for. I hope you all enjoy the competition, enjoy Brisbane and I warmly welcome you to the Games.*

## Locality Plan

# Competition Rules

FINA Swimming Rules as modified for Masters shall apply. This means that –

## **PLACINGS**

There shall be no finals for any event. Placings shall be determined by the time swum in the event within both sexes and each age group.

## **STARTS**

The swimmer may take up position at the front of the starting block, on the pool edge or in the water for push off from the wall. If starting in the pool one hand must be held on the pool end wall. Competitors must not lean over the end of the pool to wet goggles or splash water on themselves as this may accidentally activate the timing pads.

## **FALSE STARTS**

Only one false start will be permitted. At the second start, the race will continue and any swimmer who starts before the signal will be disqualified by the referee.

## **STOPPING DURING A SWIM**

A swimmer may stop during a swim (loose costume, swallowing water, out of breath etc) and may hold the lane rope but must not walk or propel forward and must float off when restarting.

## **FINISH**

After finishing, move back to within one metre from the timing pads and remain in the lane until instructed by the referee to exit the pool. Swimmers must leave the pool from the side. **PLEASE DO NOT CLIMB OVER THE TIMING PADS.**

NOTE: If you need further information regarding rules please see FINA handbook or let a Committee member know of any problem. We will do what we can to assist.  
**HAVE A GREAT SWIM.**

## **MARSHALING**

If a swimmer is not in the correct lane in the correct heat at the start of the race, he/she will be scratched. To avoid this happening, please watch the event/heat counter display. We would ask that you cooperate with the Marshal's directions to ensure the smooth operation of the competition.

## **LODGING OF PROTESTS**

Any protest regarding the swim must be made –

1. before the event if protest is known then, or
2. to the meet director immediately after the swim, or
3. via the official at the Information Desk (as per pool layout) within thirty (30) minutes of the conclusion of the event.

All protests regarding the swim will be considered by a Jury of Appeal. A protest fee of \$US20 (equivalent in AU\$\$) must accompany the protest. No protest or appeal will be allowed regarding disqualifications by the referees.

## **RESULTS OF COMPETITION**

## Welcome Ceremony – 1 October 1994

### SEATING

The Southern Stands at ANZ Stadium have been set aside for athletes and recognised 'accompanying' persons. You must wear your athletes accreditation pass to gain access to this area. Any additional family members or friends will need to purchase tickets through Ticketworld outlets or by phonecharge 131931 for one of the other stands.

Marshals will advise you when to move to position for the march. As you will be entering the stadium during the ceremony, you will remain in the stands for only a short period of time, once the ceremony begins. The stage will be facing away from you, but don't be perturbed you'll be taken midfield as soon as possible.

### FLAGS

A number of hand wavers will be supplied for athletes to carry in the march. You are encouraged however to bring your own flag to ensure you are part of the action.

### FIRES

Once you are in the stadium, fires will be lit at various points. These locations will be obvious as corridors will keep you within safety areas. Please be conscious of this when you are within the infield of the arena.

### TORCHES

After the fires are lit, there will be a call from the ground commentator for all attending to turn on your torches. To be part of this either bring your own or you can purchase one on the day.
