Information

Welcome

On behalf of Masters Swimming Queensland (MSQ) I wish to welcome everyone back to the beautiful Gold Coast for PPMG 2022!

It has been a long time since our last games in 2018 with a few false starts in 2020 and 2021 due to the pandemic and border closures, so we are pleased to have so much support for this year's event.

We have nearly 500 competitors, including able-bodied and multi-class swimmers, representing every Australian State and Territory and 9 other countries from the Pacific Rim and beyond. I wish each of you every success in this world class pool over the coming days – swim well everyone!

We are also very lucky to have so many volunteers and supporters ready to give their time to making this event special for us all – I hope you enjoy the experience and know that every competitor appreciates your support because we wouldn't be here without you!

MSQ is proud to have the support of major sponsors Funky Trunks and Funkita who have provided caps for our first 400 entrants and supplied some great raffle prizes to be won – make sure you grab your raffle tickets on entry at the raffle table! Also call into the Funky Trunks and Funkita pop-up store to check out their range of swimming gear for purchase.

Also be sure to book a massage between events, enjoy medal engraving if you're lucky enough to land a medal, and reach out to our photographer to capture a special moment for yourself at this event.

Don't forget to enjoy the rest of what PPMG22 has to offer while you are here. You can check out other world class facilities and support athletes in over 40 different sports, enjoy live entertainment and food at the Games Village nightly, or simply explore all that the Gold Coast has to offer from the sand and surf to the shopping and dining, there's something for everyone to enjoy this week!

On a personal note, I wish to thank the PPMG22 Swimming organising committee for all your time, hard work and dedication over the last five months in preparing for this event. It is an enormous undertaking, and it is a privilege to work with each of you. Thank you all.

Enjoy the event, and good swimming everyone,

Susanne Milenkevich.

MSQ President, PPMG Sport Convenor and PPMG Meet Director.

Conduct of Events

Heats will be swum from fastest to slowest. The fastest seeded heat will be heat 1 of each event. All events will be conducted as timed finals. Starts will be 'over the top' where possible.

800m/400m form stroke events are to be swum as programmed, i.e. 800m/400m form strokes cannot be swum in the corresponding freestyle event.

Relays

Anyone may form and enter a relay team on the day of the event by submitting a relay form at the desk on pool deck. Payment is required at the time of entry. EFTPOS will be available.

All relay swimmers must enter at least one individual event to be eligible to swim in a relay team. A swimmer may only swim a particular relay event once. Relays are to be swum in the order swimmers are nominated in their entry. Mixed relays must consist of two (2) males and two (2) females. The order of swimmers by gender is optional in mixed relays.

Club Relays

Club relays shall consist of four swimmers each registered with the same club. No swimmer is allowed to represent more than one club.

Teams may be amended up until the published daily deadline. Any further changes will be at the discretion of Meet Director.

These relay teams are eligible for National, respective State and PPMG records.

Composite Relays

Composite relays are defined as swimmers forming relay teams while being unattached or representing multiple clubs.

These relay teams are eligible for medals and PPMG records only.

Warm-up start time

Warm-up for each session will commence at 7:30AM with the competition pool closing at 8:15AM. The 25m warm up pool will remain open throughout the duration of all sessions for warm-up and swim down. Competition will commence at 8:30AM.

Follow the directions of centre staff for lane use in all pools.

Self-Marshalling

All swimmers will be required to self-marshal. People who are not swimming or officiating should not be near the starting end of the pool during the meet.

- Swimmers are responsible for knowing the event, heat, and lane they are competing in, and for being aware of what event/heat is currently in the water. The Meet Announcer will be calling the heat number in the water after the start of every heat, and regularly reminding how many heats there are in total for the current event.
- An entrant who fails to report to the marshalling area prior to their heat being called to the blocks may be deemed withdrawn.
- No more than four (4) heats of swimmers are permitted in the marshalling area including behind the blocks:
  - 50m events - 4 heats prior to the heat in the water
  - 100m events - 4 heats prior to the heat in the water
  - 200m events - 3 heats prior to the heat in the water
  - 400m events - 2 heats prior to the heat in the water
  - 800m events - 1 heat prior to the heat in the water

Swimmers in the 800m and 400m events should be prepared to report early, or check-in at the beginning of the session to the marshalling area as heats may be combined to save time. Please report any withdrawals for these events.

Results

Live results will be made available for this meet. The Meet Mobile application will be operating and can be downloaded to your chosen device(s).

Provisional results will be posted at the venue soon after the completion of each event. These results will be marked as 'final' once a minimum of 30 minutes has elapsed and following the resolution of any protests lodged.

Results will be updated daily to the event page of the MSQ website, and the PPMG Swimming webpage.
