Official Meet Program

NATIONAL PRESIDENT'S WELCOME

I am so excited to be preparing to head back to Darwin after such a long break between National Championships and I am sure that I am not the only swimmer who feels this way. The 2 National Championships that I have attended in the NT have been amazing, such a different part of Australia that we rarely get to visit, I am sure this one will be extra special.

A new pool, the largest Masters club in Australia and some spectacular advertising is exciting us all and we look forward to greeting our NT branch in early May.

My memory (and I could be wrong) makes it 17 years since we visited Darwin? Cannot wait to see the new pool and I know COVID has put us back a couple of years, but the wait is nearly over, and we are so excited to meet up with everyone again.

My thanks to the organising committee who have been working hard for several years (more than usual due to our COVID years). The NT branch is one of our smaller branches but probably one of our most enthusiastic branches and I know they are hoping that our Masters community supports them and comes to compete and also spend some time in the Northern Territory exploring the sites.

Our NT branch has given us some great ideas on places to dine while we are in Darwin and places to visit in the NT, I hope many of us will be staying around to explore the sites and take advantage of our northern most territory.

I am sure everyone is looking forward to renewing friendships of members from other branches. To me the National Championships is a time to visit another branch, see the sites, renew friendships and marvel at some of the great swimmers who compete at our Championships. But it is not just about fast swimming, it is about competing and getting in the water and completing your race. Not all of us are going to Darwin to break records. We love to watch those who do break records, but Masters swimming is about "swimming for life", getting in the water, keeping fit, meeting up with club mates, enjoying each other's company. I think it is easy to forget we are adults who in the most part joined Masters swimming for many different reasons, but ultimately it is about doing something we all enjoy for whatever reason, let's all enjoy the experience of being in the NT and achieving whatever goals we set ourselves.

A huge thankyou to all those members who have put up their hand to officiate during the event. None of our branches can host a national championship without the help of others, so thankyou to those swimmers/members who have volunteered to help the NT branch.

A massive thankyou to all the members of the organising committee. I am aware of the work that goes into organising a national championship and on behalf of the National Board and all our members a big thankyou to everyone who has devoted their time over the last few years to making this a very inviting Nationals to attend.

Best wishes to everyone swimming, supporting, officiating, and volunteering and I look forward to a wonderful National championship in the Top End of Australia.

MASTERS SWIMMING NT PRESIDENT'S WELCOME

Welcome to Darwin for the 47th Masters Swimming Australia National Championships, being held on Larrakia land. We are privileged to host competitors, officials and visitors from all over Australia and overseas to this event at Parap Pool and the Waterfront Lagoon and hope that you will enjoy your five days of competition here in the tropical north. Whether you are coming here purely to compete, or to also enjoy the beauty and hospitality of the Top End, we trust that you'll leave with fond memories of your time in the Northern Territory with firm plans to return.

I would particularly like to thank the members of the Organising Committee for their tireless work over the past 18 months, without which these Championships would not be taking place. Thank you also to Masters Swimming Australia staff and volunteers who have supported us enormously behind the scenes.

Neil Ludvigsen
President
Masters Swimming Northern Territory Branch

We appreciate that many teams here for the MSA National Championships are small and have made the decision to have Branches cover the lanes with 2 timekeepers per lane as a back up for the Automatic Officiating Equipment (AOE) – touchpads. If Branches are unable to fulfil their allocated timekeeping roster, could you please let us know ASAP. Thank you for your assistance.

Timekeepers

Masters Swimming Northern Territory and the swimmers thank you for generously volunteering our time during the 2024 MSA National Championships

POOL PROTOCOLS

Timekeeping is an important role to ensure each swimmer gets a time for their swim. We please ask that whilst undertaking your Timekeeper duties you focus on the job at hand and ensure swimmers have equal opportunity.

At *Parap Pool* timekeepers are still required to use a stopwatch as a backup for the Qantum system.

Timekeepers will start their manual stopwatch when they see the flash of light or sound from the starting device. It is the Timekeeper's responsibility to position themselves for each start so that they have unobstructed view of the starting device. There is no other device to start.

Timekeepers will all please move forward together as the lead swimmer of the race in the water is at the 15m mark (false start rope the change in the lane rope colour) on the last lap of the event. This is regardless of where your swimmer is in the pool. **Please avoid putting your feet on the black top of the touch pads.**

Red plungers and the manual stopwatch need to be pressed at the instance any part of the swimmer's body contacts the finish wall. **When you have taken the time for the swimmer in your lane, you should return to your chair in readiness for the next race and write the manual time on your lane sheet.** This time may need to be collected by a technical official if there is an issue with the time provided by the touchpad and/or plunger.

There is no need to stand if you do not have a swimmer in your lane. If you do not, please note that on your lane sheet.

Most swimmers want to know the time they have achieved as soon as they finish the race. You can refer them to the official results at MSA Live Results app and QR code to check their times.

Please do not talk to the swimmer unless they address you first. All swimmers are different, and some may not like their focus disrupted.

PLEASE NOTE: there are no mobile phones to be used on pool deck for phone calls, and if you are carrying a phone, please ensure it is on silent only. If you are expecting an urgent call, or need to leave pool deck for any reason, please try to organise a replacement for your position, or please advise the Chief Timekeeper.
